

Motelda

Catalogue 2026

Warmth in every detail.

A Considered Way To Feel At Home

MOTELDA brings together furniture for living, dining, bedrooms and quieter spaces for tea and study. Soft upholstery sits alongside expressive wood, stone and metal, creating a collection of tactile contrasts and balanced proportions.

From shared moments to personal rituals, the collection offers a coherent language for the home.

Material, Form And Feeling

Comfort begins with proportion. Character emerges through texture, joinery and the meeting of materials.

Wood & Stone

Timber grain and natural stone bring individual character to surfaces.

Upholstery

Rounded volumes and tactile coverings shape the experience of sitting.

Finishing Details

Wood, lacquer, metal and upholstery finishes give each design its final expression.

Julian

MD-A22 / Sofas

Julian is a modular sofa defined by generous comfort and a clear structural rhythm. Low seating volumes, loose back cushions and refined rear panels create a balance between softness and order.

Brooklyn

MD-A21 / Sofas

Brooklyn is inspired by the timeless language of modernist furniture, combining low proportions, generous volumes and refined details to create a relaxed seating experience. The spacious seat and embracing armrests provide a sense of comfort and enclosure, while the lightweight structure balances the generous form.

Poppy

MD-A20 / Sofas

Poppy combines rounded, generous proportions with an adaptable seating experience and a subtle retro character. Its movable back cushions allow the seat depth to shift with different moments: a shallower position supports upright conversation, while moving the backrest rearward creates a deeper, more enveloping lounge.

Liddo

MD-A18 / Sofas

Liddo is a sofa collection defined by its layered, rounded volumes and its sculptural, lid-like construction. Each seat is visually composed of two parts: a generously cushioned base and an upper form that appears to gently cap the lower element, creating a floating, relaxed geometry.

Sudoku

MD-A15 / Sofas

Sudoku is a modular sofa system that redefines comfort through adaptability. Designed for contemporary living, it features extendable seat modules that allow each seat to transform from upright sitting to lounging and reclining.

Tetris

MD-A09 / Sofas

Tetris combines generous seats, freely positioned backrests and integrated storage in a modular system. Rounded corners and a consistent height allow the elements to form linear arrangements, corners or open compositions for conversation and relaxation.
